## Presidents Report 5th September 2017

Greetings to all the members,

I am told that we have about 12 more Mondays for this year and then we can all slow down and get ready for Christmas and a new year. You are probably like me where has the past eight months gone. It is difficult to think what have we done but no doubt we have all been busy.

The majority of the club members have enjoyed a week at **Fraser Island** with their annual fishing trip. The photos do not show a great effort of fish being caught so we will just have to believe what we are told true/false.

This week we have a **visit from our District Governor** who will give us an update on the current and future work of rotary and in particular district 9630. We look forward to welcoming him and his wife.

**"Footprints in the park"** continues to be a great community project, providing healthy meals to those who find it difficult to access a good wholesome meal. Thanks to those who help with this and in particular Glennis for the home based cooking and Mark from Pizza Hut Winston Glades.

Last Saturday we were invited to join with the **Ipswich hospital foundation and USQ** to provide sausages for the day. It was disappointing that the numbers were down, we were asked to cater for approximately 1000. We catered for 500 and sold about 200, so plenty of product for the next sausage sizzle.

The annual **Rotary Country Field Day** is getting closer the exhibitor numbers are about 20 and slowly growing the date 14/10/2017.

**HAVE A GREAT WEEK.**

REGARDS,

**Graham Keidge PHF**
